| MESSAGE FROM THE PRESIDENT |

Dear Members,

It's hard to believe that we are already entering the fourth month of 2024. I don't know about you but I am ready for April showers to bring May flowers. I hope everyone had a wonderful Easter break and chance to relax and reset.

This past month we had a pop up shop where members could order t-shirts/hoodies and swag, I hope you all had a chance to shop. I am excited to wear my shirt out and about in the community and at events. A big thank you to our Firm member MOBO Pro for providing this service to our membership.

On April 5th EWI Corporate is offering a Professional Development Webinar: Emotional Intelligence a Key to Success. It is available to all members at no charge. This Webinar is also recorded so you can listen at any time after April 5th. The email will be sent to all members and to register you simply click the link.

I am looking forward to our steak night on Friday April 29th to raise money for our ASIST Bursary and chapter operating costs. To purchase your tickets, go to EWIofsaskatoon.ca, it's going to be a fun night of connections, laughter and of course good food. I look forward to seeing you all there.

I will leave you with this one last thought...

"The power of growth lies within your willingness to step outside your comfort zone"

with gratitude.

About Me

Hello to all the members of EWI!

If I haven't had the opportunity to meet you yet, my name is Char Weightman. I have been a part of EWI for over 5 years now, & a board member for the past 3 years.

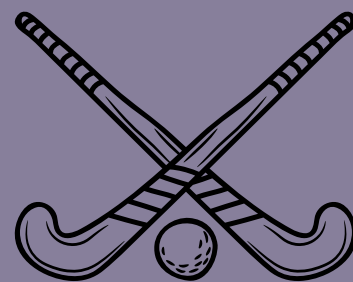

When I am not networking in the evenings, meeting wonderful people in our community.

You will find me with my furbabies; I have four! If I am not with them, then I am playing ball hockey at one of the centres in the city.

I am very involved in the Ball Hockey community, it is my passion. Along, with mortgages.

My full-time job is a Mortgage Broker with TMG. I have been with them for 12 years now, after leaving the banking industry. My journey with TMG has been nothing short of amazing.

I am proud to say I am one of the brokers from SK that has made Summit 5, 10, and 20! Part of this journey is due to the support I have gained from professional women I have met through EWI. It is important to have a community with individuals with like-minded passions and similarities. This is what attracted me to EWI. There are so many hurdles we have to overcome as female entrepreneurs & to have support & a group of women, fellow professionals who understand is invaluable.
