

## Letter from President

Happy Canada to all our members! Isn't it great to live in such a wonderful country? I do feel very lucky to live here! What are your plans for this summer, do you like to go to the lake? Are you one to take in all the festivals and events that happen in our wonderful city? Or are you one that just likes to take in the beautiful weather in the backyard or in the garden? I would have to say I am definitely a combination; minus the garden or backyard (don't have much of a green thumb).

This summer I definitely want to take time to reflect on the first half of the year, both personally and with EWISaskatoon. There has been some up's and downs and one thing I have noticed is my perspective has changed. I did quite a bit of traveling with my previous position, which I didn't mind, however, I didn't notice how much it wore me down until I stopped.

We started EWISaskatoon this year with a full Board of Directors, however, we had a few that needed to step down. One thing I have learned over the past 3 years on the Board of EWISaskatoon is teamwork; we are all here to support one another and help where we can. I have grown relationships that I wouldn't have otherwise with women I don't think I would have crossed paths with. I have learned from each board member and wouldn't trade it for the world.

I ask you: have you ever thought of serving on a board, maybe of a larger organization, one that requires previous board experience and don't know where to start or how it works? Maybe you would like to start to be part of something bigger than yourself, to serve others, or you want to help other women reach their potential, lead them, inspire them, and help them grow. EWISaskatoon can help, if you are interested in serving on our board please do reach out to Alisa Thompson, Michelle

Busa, Shery Buziak, or Janelle Wiggins Haaland or email us at [ewiofsaskatoon@gmail.com](mailto:ewiofsaskatoon@gmail.com) and someone will be happy to meet you for coffee to talk about what it all entails! I also wanted to invite you out to our Golf Night next month at Moon Lake Golf Course. I believe we are almost full so if you want to come out for an evening of fun please join us. You DO NOT have to be a seasoned golfer, or even a golfer, it will be best ball and we are just there to have some fun! You can register through the website at [www.ewiofsaskatoon.ca](http://www.ewiofsaskatoon.ca) I hope to see you out there! Wishing everyone a Great summer!

Sandra R. Miller  
2018-2019 President
