

PRESIDENT'S REPORT

FORE!!

Let's talk about golf ladies. Did you know the term "FORE" came from the Scottish? "Fore!", originally a Scots interjection, is used to warn anyone standing or moving in the flight of a golf ball. The caddies were often warned about oncoming golf balls by a shout of the term "fore-caddie" which was eventually shortened to just "fore!".(Wikipedia). Gotta love the

internet... it has made us all fact geniuses.

Our upcoming EWI August golf event is coming up fast! On Wednesday, August 15th at 5:30pm is registration and starting at 6 p.m. with dinner to follow. The Saskatoon EWI group will be hosting the "Women's Nine and Wine ladies' night of golf at the Moon Lake Golf & Country Club. Have you never checked out a golf and country club? Well here is your chance in a fun and friendly environment!

What can you expect to do at this event? Dinner, prizes, wine and golf! Take note of the order there. This event is an evening of FUN! Golf is second to this. So even if your super unpracticed or never have picked up clubs, come and enjoy the evening!! The food and company are awesome! Heck..just ride around in a golf cart and have a few good laughs. I will be on anyone's team, no matter what their experience is. Maybe this is your opportunity to try something you never have before.

For those of us that do golf...bring your golfing friends to this event. Kill two birds with one stone! Enjoy golf with your friends and introduce them to EWI. I look forward to visiting with many of you that evening. Remember ladies GOLF stands for "Get Out Ladies for FUN!!!"

Stay Epic!

Fundraisers

In July we did two FUNdraisers. The first was the Boryski's Butcher Block meat sale. We made \$5 from every case sold and made \$210! Thank you to everyone who participated and to Darlene Biggins who organized everything! If you didn't pick up at BBB's please make sure you arrange with the person who took it for you to pick up your order!

The second was at the Fire Creek Gas and Grill. We sold burgers (regular bun and bannock), chips, pop and dessert bannock. Everything was amazing! We raised \$1,065 before deducting expenses. A huge thank you to Shirley Bonnetrouge for the idea and getting us a day with Fire Creek. Another big thank you to Alisa Thompson (and parents and son) and Sandra Miller who were out there the whole day in hot sun selling! I later joined with my two kids who were "helpful". Shirley kept sending Will (age 3) for more chips whether she needed them or not. We had a great time together and I will definitely help out again next year as long as Shirley brings her music again!
