

PRESIDENT'S REPORT

There are a few things happening that signal summer is here! Warmer weather, the trees greening up and it's time for a Business meeting! As per our Chapter Standing Rules, which we have attached for your reading pleasure and familiarity, June is one of the two designated months that our Chapter conducts a Business Meeting after the regular dinner program. What does this mean for members? The Business Meeting is held in June primarily to determine our delegate and alternate for the Annual General Meeting at LCAM in September and to elect our Nominating Committee which will build the Chapters 2018-2019 Board along with our Vice President/President-Elect Sandra Miller. To ensure we can successfully vote on these matters, a quorum of our membership is required to be present. If you cannot attend the June Dinner meeting on the 20th, then please ensure you email your PROXY to our Secretary Fran Seidler at Fseidler@arbormemorial.com before the 15th of June.

Guests are still welcome at the June meeting, they will just be excused before we commence the Business Meeting, which we don't anticipate will take longer than 30 minutes. Please come, and listen to an amazing speaker and ask your EWI board any questions you may have.

EWI is here for you, by you, because of you. So show your pride and join us in June. We are all busy and yet still ultimately, we are in control of our time. I know many may argue that statement...just step back at any given moment and ask yourself "how did I get here?" or "how is this my moment?" You will be surprised at the answers most of the time. I look forward to seeing you all on June 20th.

Stay Epic!

Golf Anyone?

EWI of Saskatoon is sponsoring a ladies night at the Moonlake Golf and Country Club on August 15th. Please let Karen know if you are able to golf. This event hosts about 200 professional women and is very good exposure. It is in our best interest to have a good showing and make an impact so please consider golfing that evening. Remember: the bigger we get, the better the networking!

Being on this Board over the past year and a half has been a great experience and I learned so much from the support of the other ladies. It is a great way to get your “feet wet” and gain board experience and make life long connections!

Thank you for a great year and I am looking forward too many more!

Wow! I can't believe that it is June already! It has been quite a year for EWI and I am looking forward to taking on my President roll in November. I am looking forward to working with an amazing Board of Directors come the fall and am looking to fill all positions. One of my rolls as Vice President / President Elect is to lead the Nomination committee, this group will consist of the Board Advisor, Vice President and three (3) members. So please let me know if you are interested in joining this committee or if you have any question about any of the Board positions, I would be happy to answer them and have you join our team!
