| MESSAGE FROM THE PRESIDENT |

Dear Members,

Can you believe we are already into the third month of 2024, and the weather we are having is spring like already. The days are getting longer and you can feel the excitement for warmer days heading our way.

A big congratulations to our 50/50 board winner of \$500.00 - Debbie Hemsley

Also a great big thank you to all of you who purchased squares. This fundraiser covered the costs of our family meal at the RMHC in January.

I am looking forward to our speaker in March, Joy Crawford and hearing how she creates an environment that encourages all to learn. To grow we need to continue to be curious, ask questions, learn new things and step out of our comfort zone. It is when we are the most uncomfortable that the biggest changes occur.

"The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice." - Brian Herbert

Wishing you all an amazing month and looking forward to connecting with you at our March Meeting.

with gratitude.

Rhonda Adair

RHONDA ADAIR

2024 President

MEMBER SPOTLIGHT

Ricci De Cecco

About Me

I have been a member of EWI since Feb 2023, it was an easy decision to join as it is a fantastic group of diverse women, making a difference in our community.

I have a love for chilly summer nights around a campfire, prairie sunsets and good food with the people I love. I have a wonderfully supportive husband, 4 beautiful children, 3 precious grandsons and my fur baby Charlie. I love a Sunday filled with football and a quiet evening reading. I typically have many different books on the go at any one time, from a fun romance novel, a book about women's health and how to grow herbs! Gardening is another love of mine, there is nothing more grounding than having your hands in the soil.

I am the proud owner of Embrace Grace Doula Services, and I am just getting it off the ground! I have always been in awe when it comes to the miracle of life. Helping support my step-daughter through two of her labors and delivery, was what sealed the deal for me. Everything from preparing the body to conceive, to welcoming a precious new addition to the family home. I am ready to support and hold space for people on their journey to become a parent.

My goal is to give families the knowledge and support they need on their fabulous journey. Helping them to make informed decisions from the beginnings from conception, to pregnancy, labor, and the delivery process. Also, postpartum care for mom and baby are extremely important in those first few days and weeks, helping to calm the worries of the unknowns all new parents have.

ABOUT OUR

Guest Speaker

JOY CRAWFORD

B.COMM, CFP, DFSA

Edward Jones[®]
MAKING SENSE OF INVESTING

As a child, Joy was precocious, competitive and loved learning, math and numbers came easy for her. When she was eight, she got her first job selling greeting cards door-to-door, and depositing hard-earned dollars into her bank account. While she loved making money, Joy was very intentional about how she spent it, she always had a goal - her bike, her watch, her camera. Joy became very self-sufficient. She thought being a CPA would be ideal, but it wasn't just the numbers she loved, it was more the influence she could have in helping others.

When Joy became a financial advisor, she quickly learned that, while she loved managing money, to her female clients, money and investing made them feel overwhelmed, uncomfortable and less than capable. Joy knew these women were smart and capable, so she began to focus on them, what was important to them and then steadily engaging them in the world of finance in a way that empowered them.

That's why her true purpose is about creating an environment where every woman and their family is encouraged to learn, to grow and to gain the knowledge they need to feel confident in their financial future. Empowered women, empower women.

Joy joined Edward Jones after a successful career as a Chartered Professional Accountant. She earned a Bachelor of Commerce degree from the University of Saskatchewan. More recently, she achieved the Certified Financial Planner (CFP[®]) and the Designated Financial Services Advisor (DFSA[™]) designations.

Joy is active in the Saskatoon community where she is a member of the Usask Board of Governors. She also serves as chairperson for the boards of Quint Development Corporation and the People Bridge Advocacy. In 2017, she was nominated for a YWCA Women of Distinction Award.
